I enjoyed helping people – and their businesses – resolve all kinds of issues.

Many of those people tell me that I have been able to look at a problem and come up with a solution that no one else has considered. My clients have included a same-sex couple in Arlington who've been together for 35 years with no estate planning documents; a young doctor looking to start his own practice; and a well-to-do family with long-simmering conflicts. Of course, over the last 50 years that I've been practicing law in the DMV area, there have been thousands more. Clients became friends because I treated them well. Friends became clients because they trusted me.

I have had the pleasure of establishing many wonderful relationships with my clients over the years. Now that I have retired, I encourage you to reach out to our Firm attorneys who can assist you with your needs. Please call our main number (301) 251-1180 for further assistance.
