DocuBank

 DocuBank provides emergency access to your healthcare directives, 24/7/365, online and via phone or fax. We include DocuBank as part of our estate planning services to ensure that your living will, health care power of attorney and other medical directives will be available at the hospital when you need them, where you need them.

Be sure to carry your DocuBank Emergency Card in your wallet — next to your driver's license or health insurance card — at all times. You should also periodically update your emergency contact and medical information stored with DocuBank. To do so, simply [click here](#) or on the DocuBank logo. For more information on this valuable service, visit www.DocuBank.com.
